THIS IS HOCKEY EAST

Consistently labelled the strongest Division-I college hockey conference from top to bottom, the Hockey East Association is now entering its 31st season on the ice.

Hockey East has continued a steady rise to prominence since its founding charter on July 11, 1983, when the possibility of an apparent Ivy League departure threatened the ECAC. In response, the athletics directors from Boston College, Boston University, New Hampshire, Northeastern and Providence unveiled a new Division I men's ice hockey conference. Together, Bill Flynn of Boston College, John Simpson of Boston University, Andy Mooradian of New Hampshire, Joe Zabalski of Northeastern and Lou Lamoriello of Providence launched Hockey East. Lamoriello assumed the role of the league's first commissioner.

Later that summer, the Board of Directors added the University of Maine and the University of Lowell (now UMass Lowell.) Official conference competition of the seven-team league began with the 1984-85 season, and expansion brought the league to nine teams with the additions of Merrimack College (1989) and the University of Massachusetts (1993). The entry of the University of Vermont for the 2005-06 season brought the conference membership to 10 teams, and the University of Notre Dame was accepted as the league's 11th member on October 5, 2011. The Fighting Irish started Hockey East play last season, finishing with an even 9-9-2 league record, but shook the establishment by ousting regular season champ BC in the Hockey East quarterfinals. The conference rounded out its membership to an even 12 with the adding of the University of Connecticut in June of 2012.

Since its inception, Hockey East has set new competitive standards for college hockey success, annually compiling an impressive collective winning percentage against non-conference opponents, including a record .705 during the 2002-03 season and a .669 win percentage during the 25th anniversary season of 2008-09. Over the last 20 years, Hockey East has cemented itself as the nation's elite college hockey league, having earned 30 of the 78 berths in the NCAA Frozen Four and boasting eight NCAA title winners: the University of Maine in 1993 and 1999, Boston University in 1995 and 2009, and Boston College in 2001, 2008, 2010 and 2012. BC's recent run has helped Hockey East claim four of the last seven national titles.

In its most impressive NCAA postseason showing,

Hockey East was home to three of the four Frozen Four participants in 1999, as Maine triumphed over UNH 3-2 in overtime in an All-Hockey East final, the second time in five seasons that had occurred. Hockey East sent five teams to the NCAA Tournament in 2014, marking 10 times in the last 11 seasons that three or more Hockey East teams have qualified.

Hockey East has proven to be an equally strong presence off the ice and in the classroom. League athletes continue to demonstrate their commitment to overall excellence, as the Hockey East All-Academic Team honored a league-record

109 student-athletes for outstanding academic achievement during the 2013-2014 academic year, 11 of whom achieved elite Distinguished Scholar status for qualifying for the All-Academic team in each of four seasons played.

Hockey East athletes also make a positive impact on many community service programs across the region, volunteering with youth hockey associations and community service organizations. Six Hockey East athletes have received the prestigious Hockey Humanitarian Award (three from from the men's league and three from the women's,) while nine others have been finalists for the award. Boston College's Brooks Dyroff won the 2011 Hockey Humanitarian Award for his work with his not-for-profit organization called CEO 4 Teens.

However, it is the quality of its individual players as leading athletes that most sets Hockey East apart from the rest. Eight Hockey East players have won the Hobey Baker Award as the top player in college hockey, most recently Boston College's Johnny Gaudreau just last season. Dozens more have been named as finalists. Many of those and hundreds of other Hockey East players have moved on to play in the NHL. A total of 578 Hockey East student-athletes have been selected in the NHL Entry Draft in the 31-year history of the league, and more than 40 Hockey East alums were regulars on NHL rosters in 2013-2014, including 2012 Conn Smythe trophy winner Jonathan Quick, who once again backstopped his LA Kings team to a Stanley Cup championship in 2014.

The reach of Hockey East continues to grow as new state-of-the-art facilities are constructed, increasing capacities and amenities for college hockey fans. In turn, fans have responded with over one million spectators coming out to watch Hockey East teams during the 2013-14 season for the ninth consecutive year. #

THE JOE CONCANNON HOCKEY EAST MEDIA AWARD

Pete Webster of the University of New Hampshire Wildcats Sports Radio Network has been named the recipient of the 2014 Joe Concannon Hockey East Media Award. The prestigious honor, named in memory of long-time Boston Globe sportswriter Joe Concannon in 2001, is bestowed annually upon a member of the media who has demonstrated a superior body of work in covering and promoting the Hockey East Association over an extended period of time.

Webster is entering his 21st season as the color analyst for Wildcats Sports Radio Network in 2014-15 and has been involved with the New Hampshire men's ice hockey program for nearly three decades. Webster began broadcasting UNH hockey games during the 1992-93 season alongside Dick Osborne before becoming the full-time color analyst in January of the 1993-94 season. Webster has been on the call for two men's national championship games as well as the 1999 NCAA Frozen Four in Anaheim, California and 2003 NCAA Frozen Four in Buffalo, New York. Webster was also behind the mic during New Hampshire's 2009 NCAA Regional come-from-behind win over North Dakota and the 1998 NCAA Regional Final victory over Boston University that propelled the Wildcats to their first Frozen Four since 1979.

Webster has also spent time volunteering in New Hampshire's athletic communications department, assisting with media relations duties.

When he is not broadcasting for UNH, Webster spends days as a middle school educator at York (ME) Middle School and coaching various youth and public school sports, including over 20 seasons as the varsity tennis coach at York High School.

COMMISSIONER JOE BERTAGNA

Hockey East Commissioner Joe Bertagna is in his 33rd year as a college hockey administrator. This season marks his 18th year with Hockey East, after serving in a similar capacity with the Eastern College Athletic Conference (ECAC) for 15 years. He is

the longest serving commissioner in Hockey East history. In June of 2012, Hockey East directors extended Bertagna's contract through the 2014-15 season as a direct response to a number of triumphs for the conference, including three new television contracts, multiple sold-out events at Fenway Park, and the addition of the University of Notre Dame and the University of Connecticut.

Bertagna has carved out a unique career in the sport he first played as a freshman goaltender at Harvard University in 1969. After spending 15 years as the primary ice hockey administrator the ECAC, Bertagna became Hockey East's fourth commissioner on July 1, 1997. A native of Arlington, Massachusetts, Bertagna began working at the ECAC in 1982, when he was named Tournament Director. He was later named Executive Director of Ice Hockey before he was appointed Ice Hockey Commissioner in 1991.

Bertagna made his mark immediately at Hockey East, engineering a multi-year television deal (SportsChannel New England) in his first month on the job. Shortly thereafter, league tournament attendance rocketed upward, leading to the event's first-ever sellout in 2000. Bertagna was also instrumental in bringing about the formation of the Women's Hockey East Association, just as he initiated league play for both Division I and Division III women's programs while with the ECAC. In 2013, the directors recognized his contributions to the women's game by dubbing the Women's Hockey East championship trophy the Bertagna Trophy.

Hockey East has enjoyed unparalleled success on the ice during Bertagna's tenure, winning six men's national championships, including four of the last seven, and regularly enjoying post-season accolades for many of its student-athletes. Six of the last 12 players recognized as "Hobey Hat Trick" honorees have come from Hockey East schools, including last year's winner, Boston College's Johnny Gaudreau.

Media coverage has soared under Bertagna's direction, as evidenced by the signing of two national contracts in 2011, a renewal with CBS Sports Network and a first-ever deal with NBC

Sports Network. Further, a four-year contract with the New England Sports Network (NESN) provides unprecedented local coverage.

In January of 2010, Bertagna and his staff administered the first outdoor college hockey game in the east when Boston's fabled Fenway Park played host to a Hockey East doubleheader. The event, which sold out on the first day of public sale in September 2009, was an unprecedented success for the conference, both financially and in terms of exposure. In January 2012, Bertagna negotiated another contract with the Red Sox, creating a doubleheader for January 2012 featuring the league's four Division I state universities: Maine, Massachusetts, New Hampshire and Vermont. As in 2010, the event sold out, leading to the addition of third contest, BC vs. Northeastern. For the 2014 iteration, Bertagna negotiated for the inclusion of eight of Hockey East's 11 men's

initiatives that have helped grow the game at the national and international levels. In recent years, Bertagna was instrumental in securing funds for the formation of College Hockey, Inc., the marketing arm of the HCA.

Beyond his college hockey accomplishments, Bertagna has forged an international reputation as a student and coach of goaltending. No one in North America is respected more for his contributions to the study of the position. Last year, he celebrated his 40th year as a goalie coach, having operated his own clinics for thousands of goalies of all ages throughout New England since 1973. He continues to speak on the subject for USA Hockey throughout the United States. Through his camps, lectures, print materials and DVDs, he has influenced the teaching of young goaltenders more than any other goaltending coach in the United States. His seventh DVD, "Goaltending Today: Traditional Values through New Techniques," was released by Championship Productions of Ames, Iowa, in 2011.

As a player, Bertagna began at Arlington (Mass.) High School, before going on to Harvard University. During his development up, he played for and learned from three Hall of Fame coaches: Ed Burns at Arlington, and Ralph "Cooney" Weiland and Bill Cleary at Harvard. A two-year starter at Harvard (1971-72 and 1972-73), Bertagna led the Ivy League with a 2.45 GAA in 1972. After Harvard, he played professionally for the Milwaukee Admirals and in Cortina, Italy. He helped lead

his S.G. Cortina d'Ampezzo squad to the 1975 Italian Championship.

He began his professional coaching career in 1985 with the Boston Bruins, remaining with the club as the goaltender coach until 1991 and rejoining the team for the 1994-95 season. He also part of the coaching staffs of the U.S. Men's National Team at the 1991 Canada Cup, the U.S. Olympic Men's Ice Hockey Team at the 1994 Winter Olympics, and with the Milwaukee Admirals from 1994-96.

Bertagna enjoyed a brief college coaching career at Harvard University in the late 1970s, serving as Men's Junior Varsity Coach in 1976-77 and launching Harvard's women's ice hockey program in 1977-78. He served as head coach of Harvard Women's Hockey for two seasons.

Bertagna and his wife Kathy, a two-sport athlete at Bates College, reside in Gloucester with their three children, Bobby (18), Joey (16) and Grace (13).

Perhaps his biggest contributions on the national stage have come in his continuing role with the Hockey Commissioners Association (HCA). The commissioners of the six NCAA Division I men's ice hockey conferences have launched a number of

teams, including newcomer Notre Dame. The two doubleheaders attracted more than 57,000 fans to Fenway Park.

Nationally, Bertagna has been the Executive Director of the American Hockey Coaches Association since 1991, the only person to serve in that capacity. In this role, he has overseen the growth of AHCA membership from fewer than 300 members in 1992 to more than 1,400 members today. He has served two separate stints on the NCAA Ice Hockey Rules Committee, chairing the committee is first time through and currently back as a committee member this year. He also serves on the Board of Directors of both USA Hockey and the Hockey Humanitarian Award Foundation.

KATHY WYNTERS • ASSOCIATE COMMISSIONER

Kathy Wynters is entering her 9th season as Associate Commissioner, 20th year overall with the conference. As Joe Bertagna's chief assistant, her primary responsibilities include the day-to-day operations of both the men's and women's leagues, along with the administration of the two championship tournaments, special events (like Frozen Fenway and the Frozen Four) and the licensing and sponsorship programs. Prior to her promotion, Wynters served Hockey East as Director of Marketing and Special Events from 2002-06.

Wynters was the driving force behind the creation of both "Skating Strides Against Breast Cancer" and the Hockey East Kids' Club. After eight seasons, the Skating Strides program has raised nearly \$500,000 for breast cancer awareness and research, while at the same time increased attendance at women's hockey games and gave the student-athletes the opportunity to give back to the communities in which they study and play hockey.

A native of Quincy, MA, the former Kathy Walsh earned a B.S. degree in marketing from Providence College in 1982. She began her career while an undergraduate, as a three-year intern with the men's hockey team. Following graduation, she served the Friars in two capacities; first as Assistant Sports Information Director (primary men's hockey contact) and then as Assistant Athletic Director, Athletic Marketing. While at PC, and before Hockey East had a full-time staff, Wynters worked with former PC athletic director, and then Commissioner, Lou Lamoriello on the launch of the conference in 1983, and then coordinated the first three Hockey East championship tournaments (1985-87). She also served as Tournament Director for the 1986 NCAA Men's Frozen Four at the Providence Civic Center, co-hosted by Brown and Providence College.

In 1988, Wynters left her position at PC and moved over to Hockey East on a full-time basis, where she served Hockey East as Assistant Commissioner during the late 80's and early 90's, before going on to work for the New Jersey Devils in the NHL, spending three years as a Marketing Director, coordinating licensing and souvenir merchandising. Among her earlier accomplishments at Hockey East, Wynters worked with Joe Bertagna in coordinating the first and only "Hockeyfest" events, combining the ECAC and Hockey East championships into single weekend events from 1989-91.

Kathy and her husband Chuck (a retired on-ice official for Hockey East), reside in Waltham, MA. They are the parents of two: daughter Annie (22), a high school history/special education teacher, and son C.J. (21), a senior, Athletic Training/Sports Medicine major, at Bridgewater State University.

HOCKEY EAST TOURNAMENT AND THE LAMORIELLO TROPHY

On March 7, 1988, the Hockey East Executive Committee voted to name the conference championship trophy the Lamoriello Trophy. The title honors Lou Lamoriello, the first commissioner of Hockey East and a leader in the formation of the conference. The league commissioned the creation of a permanent trophy in 1998, and it was delivered in time for the 1999 championship.

Lamoriello served as the Providence College head coach for 15 seasons (1968-83), guiding the Friars to an overall record of 248-179-13, a winning percentage of .580. He led the Friars to a 33-10-0 mark in the 1982-83 campaign, the best in the nation that year. Providence also reached the Frozen Four that season for the first time since 1964. Lamoriello resigned as coach following that season to devote more time to his role as the Providence Athletics Director, a post to which he was appointed in July of 1982.

With the Athletics Directors from Boston College, Boston University, New Hampshire and Northeastern, Lamoriello formed the Hockey East Association in July of 1983. He was the driving force in the history-making interlocking schedule agreement with the Western Collegiate Hockey Association and in the first-ever college hockey television package.

A native of Johnston, R.I., Lamoriello attended LaSalle Academy and graduated from Providence College in 1963. As an undergraduate, Lamoriello lettered in baseball and hockey, serving as captain for each team during his senior year. He was inducted into the Providence College Athletic Hall of Fame in 1980.

In April of 1987, Lamoriello resigned as Commissioner of Hockey East and as PC Athletics Director to take the position of President and General Manager of the NHL's New Jersey Devils.

Lamoriello continued to succeed in the NHL as the Devils have won the Stanley Cup three times during his tenure. Five former Hockey East players — Kevin Dean (UNH), Brian

Gionta (BC), Bill Guerin (BC), Jay Pandolfo (BU) and Chris Terreri (PC), have won at least one Cup each under Lamoriello's watch.

Lamoriello has won on the international level as well. He organized the Team USA entry in both the 1996 World Cup of Hockey and the 1998 Winter Olympics as the General Manager of each team. The former, paced by Hockey East alumni Brian Leetch (BC), Keith Tkachuk (BU) and Tony Amonte (BU) beat Canada in the finals, two games to one, to win the inaugural World Cup.

Lamoriello was inducted into the Hockey Hall of Fame in the builders category in 2009, and entered the U.S. Hockey Hall of Fame in 2012.

2015 HOCKEY EAST TOURNAMENT

All 12 teams will qualify for the 2015 Hockey East tournament.

The top four teams in the league standings will get a first round bye.

Teams seeded 5 through 12 will face off in best-of-three series at the sites of the higher seeds (No. 5 hosting No. 12, etc.). Advancing teams will then be reseeded and will play best-of-three quarterfinal series on the campuses of the four highest seeds.

The four quarterfinal winners will be reseeded again and advance to the TD Garden in Boston for the semifinals (Fri., Mar. 20) and Championship Game (Sat., Mar. 21.)

Tickets for the Hockey East Championship at the TD Garden will go on sale in early December and can be purchased by calling (800) 745-3000 or by visiting Ticketmaster.com.

The winner of the conference tournament receives an automatic berth in the NCAA Division I Ice Hockey Championship Tournament.

TD GARDEN

The Hockey East Championships were first held at the Providence Civic Center following the inaugural season of 1984-85. After several successful showings at the original Boston Garden, the tournament moved with its sister events to the FleetCenter, the Garden's successor. The FleetCenter was re-christened as the TD Garden in the summer of 2005.

The building has become a recognized leader in hosting college hockey events, having set attendance records for the NCAA Frozen Four in 1998, and boasting progressively larger crowds for the Beanpot and the Hockey East Championships, culminating with repeated sellouts for both events in recent years. The 2004 Frozen Four at the FleetCenter was a huge success, and the TD Garden will once again host the sport's culminating event in 2015.

Since its grand opening in 1995, nearly 50 million people have come to the TD Banknorth Garden to see the arena's famous tenants, the NHL's Boston Bruins and NBA's Boston Celtics, as well as world-renowned concerts and sporting events, family shows, wrestling, ice shows and much more.

Measuring 755,000 square feet and sitting above a five story, 1,150 space parking garage, the state-of-the-art facility includes a multi-million dollar video scoreboard (Garden HDX), and a seating capacity of 17,565 for hockey games. In the summer of 2006, the TD Garden went through an extreme make-over with the addition of The Premium Club's SportsDeck and The Boardroom. The complex is easily accessible by the MBTA's Green Line, Orange Line, and Commuter Rail via North Station.

AWARDS

WARRIOR PLAYER OF THE YEAR

WARRIOR

This honor is awarded by the head coaches to one player who has demonstrated superior play and leadership for his team. Gaudreau, the nation's leading scorer, had 36 goals and 44 assists for 80 points in 40 games, with 61 of those points coming on his 31-game point streak that ran from November 1 to March 15.

Gaudreau is just the third-ever back-to-back winner of the league's most prestigious individual award, joining Boston College's Greg Brown (1989, 1990) and Boston University's Chris Drury (1997, 1998). He finished his college career with 78 goals and 97 assists for 175 points in 119 games.

BC and UNH players have earned 15 of the last 18 Hockey East Player of the Year honors, with BU's John Curry (2006-07), NU's Brad Thiessen (2008-09) and Maine's Spencer Abbott (2011-12) the only exceptions in that span.

BC's Johnny Gaudreau accepts his second consecutive Player of the Year Award from Warrior's Larry O'Donnell

PRO AMBITIONS ROOKIE OF THE YEAR

Sponsored by Pro Ambitions Hockey, this award is voted by the head coaches and is given to the first-year player who has shown skill, ability and leadership beyond that expected of a player in his rookie season.

Vermont forward Mario Puskarich is the first Catamount ever to win Hockey East's Rookie of the Year award, and is the highest scoring UVM freshman since the team joined Hockey East in 2005-06. Puskarich's 19 goals were four more than any other freshman in Hockey East, and he ranked tied for second in the nation in rookie scoring at nearly a point per game. He led the conference with an average of 5.05 shots on goal per league game, a full 1.1 shots per game more than any other skater in Hockey East.

ROOKIE OF THE YEAR

LEN CEGLARSKI SPORTSMANSHIP AWARD

This award, named in honor of retired Boston College Head Coach Len Ceglarski, is given by the league to one player who has consistently demonstrated superior conduct and sportsmanship on the ice. The directors of Hockey East established the Len Ceglarski Sportsmanship Award in 1992. Each school nominates one player. The award is then voted upon by head coaches, sports information directors and league officials.

Providence forward Ross Mauermann was the 2013-14 recipient, playing all 20 league games and taking just four minor penalties. He also led the Friars in scoring, averaging a goal every other game.

Ross Mauermann is just the second Friar to win the Ceglarski Sportsmanship Award

CHARLES HOLT TEAM SPORTSMANSHIP AWARD

Hockey East proudly recognizes an entire team for its sportsmanlike play with the Charles E. Holt Sportsmanship Award, named after the former University of New Hampshire head coach. This award is given to the team which receives the lowest average penalty minutes per game over the course of regular season Hockey East play. The Team Sportsmanship Award was established by the league's directors in 1992 and was renamed to honor Holt in 1998. The award is presented in the form of a shadow box with etched glass depicting the image of New Hampshire's legendary coach.

WILLIAM FLYNN TOURNAMENT MVP

This award, named in honor of the former Boston College Athletics Director, is given to the Most Valuable Player in the Hockey East Championship Tournament, as voted by a panel of writers and broadcasters. UMass Lowell's Connor Helbuycyk went 4-1 with a 1.18 GAA, a .960 save percentage and two shutouts in the league tournament. He also became the first Hockey East goaltender to post back-to-back shutouts in the semifinals and championship, notching 65 saves over the course of those two games. Past winners listed on page 41.

TEAM CHAMPIONSHIPS

Hockey East awards team trophies to the regular season champion and to the tournament champion. Boston College clinched the 2013-14 Regular Season title with a 5-3 win at Vermont on Feb. 15, and the Eagles would go on to finish the regular season with a 16-2-2 record in league play. UMass Lowell captured their second-straight Hockey East Tournament Championship on March 22 at the TD Garden with a 4-0 shutout of UNH. Past winners listed on pages 41.

WEEKLY AND MONTHLY AWARDS

During the regular season, the conference staff chooses weekly and monthly honorees with nominations coming from the school's sport information staffs. Recipients of these honors during the 2013-14 season are listed on page 75.

BAUER / BOB KULLEN COACH OF THE YEAR

This award is given in the name of the late Bob Kullen, who served as head coach of the UNH Wildcats. The award goes to the head coach who is considered to have demonstrated the highest number of significant accomplishments over the course of the season as voted by the conference's head coaches.

BC's Jerry York was chosen as the recipient of the Bob Kullen Coach of the Year Award for the third time in 2013-14. College hockey's all-time winningest coach once again steered his Eagles to the regular season title, his seventh in 20 seasons behind the BC bench. The Eagles didn't lose a game in December, January or February, stringing together a 19-game unbeaten streak (17-0-2). Boston College also appeared in their fifth-consecutive NCAA Tournament and the team advanced to its 11th Frozen Four in the last 17 years.

Boston College Head Coach Jerry York accepts his third Bob Kullen Award from Bauer's Paul Healy

SPENCER T. PENROSE AWARD

The American Hockey Coaches Association (AHCA) annually selects the NCAA Division-I Coach of the Year and presents him with the Penrose Award. The trophy is named in memory of Spencer T. Penrose, the man whose fortune in gold and copper built the famous Broadmoor Hotel and athletic complex in Colorado Springs, the site of the first 10 NCAA hockey championships.

UMass Lowell's Norm Bazin became the seventh Hockey East coach to win the nation's highest college hockey coaching honor when he was chosen by his peers in 2012-13, just his second season behind the bench of his alma mater.

THE HOBEY BAKER MEMORIAL AWARD

Initiated in 1981 the Hobey Baker Award is named in honor of Hobey Baker, a hockey and football superstar and above-average student at Princeton from 1910 to 1914, who died during service in World War I. It is presented annually to the most outstanding college hockey player in the United States.

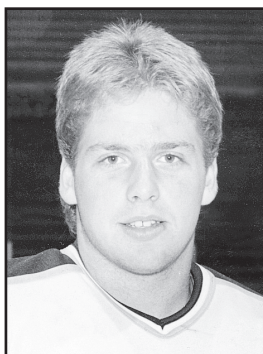

David Emma of Boston College was Hockey East's first Hobey Baker recipient in 1991. An outstanding rookie named Paul Kariya captured the award while leading his Maine team to a NCAA title in 1993 after fellow Black Bear Scott Pellerin had collected the prestigious trophy in 1992, giving the eight-year-old league three consecutive winners.

After a four-year hiatus, Hockey East commenced its second string of winners when BU's Chris Drury was named college hockey's most dominant player in 1998. New Hampshire's Jason Krog added the trophy to his case in 1999 and BC's Mike Mottau completed Hockey East's second trifecta (and sixth winner in 10 years) when he stepped up to the medal stand in April of 2000. Three-time finalist Gionta fell just short of making it four winners in a row for Hockey East when he finished runner-up to Michigan State's Ryan Miller in 2001.

Each year since 2002, the top 10 finalists have been narrowed down to the final three, the "Hobey Hat Trick". Hockey East has an active run of seven consecutive seasons with at least one Hobey Hat Trick representative, with 10 total in that span. In 2009, Hockey East swept the Hat Trick honor with BU blueliner Matt Gilroy besting two teammates to claim the award. Last year, BC's Johnny Gaudreau became the league's first-ever two-time Hobey Hat Trick finalist, and eighth-ever winner.

THE HOCKEY HUMANITARIAN AWARD

Arguably the highest individual honor in the sport of college ice hockey, the Hockey Humanitarian Award bridges the gender gap between the men's and women's game and any perceived talent gap between divisions. Annually presented to the athlete that best demonstrates the highest qualities of humanity, the award has become a symbol for everything that is right with college athletics, and it is an honor just to be nominated for the award, or to be selected as one of the five annual finalists.

First given to Boston University's J.P. McKersie in 1996, the prestigious award was claimed in back-to-back seasons by Hockey East athletes in 2003-04 (Northeastern goaltender Chanda Gunn) and 2004-05 (Boston College defenseman Sarah Carlson.) A total of six Hockey East players have received the award, most recently Boston College's Brooks Dyroff in 2011, and has had nine other award finalists, including two last season.

BC's Brooks Dyroff was the sixth Hockey East player to win the prestigious Hockey Humanitarian Award

MISSION STATEMENT

In an era of ever-increasing ego display, when so many of today's athletes are sending the wrong message to our children and when success often seems measured solely by dollar signs and contract signings, it is time to call attention to individuals who embody all that is, and can be, right with sport. While the media often seem preoccupied with the antics of players after the whistle or outside the game - all the while decrying the absence of better role models for our youth - the Hockey Humanitarians want to put sports, and all of its participants, in the proper perspective. And, while team games, by definition, encompass both teamwork and the contributions of the individual to the success of the group as a whole, we want to acknowledge the accomplishments of personal character, scholarship, and the giving of oneself off the ice to the larger community as well. The Humanitarian Award is meant to be seen as a true measure of a person's worth, not just as an athlete, but as someone who embodies those values that merit our recognition.

It is our hope that in some small way such a display will have a positive influence on future generations of hockey players. We feel an obligation to help our children find the proper balance as they confront deciding who their role models are and what values they should embrace in this increasingly complex world. Our foundation believes there are Humanitarians to be found in programs everywhere and that it is time for many in the media to reconsider their focus on the frequently destructive and selfish behavior of those athletes who often receive too much of our attention. We feel that the great majority of us share the values represented by The Humanitarian Award and that the time has come for this message to be more widely disseminated.

AHCA / CCM HOCKEY ALL-AMERICANS

Bold type indicates First-Team

Hockey East placed six players (three First-Team, three Second-Team) on All-America teams in 2013-14. Hobey Baker winner Johnny Gaudreau was joined by BC linemate Kevin Hayes and UML goalie Connor Hellebuyck on the First Team, while Maine teammates Devin Shore and Ben Hutton, along with Eagle defenseman Michael Matheson, were named to the Second Team. In 2003-04, the league set a record with 11 of the 12 Eastern All-Americans coming from Hockey East. The CCM Hockey All-American Teams are selected by the American Hockey Coaches Association. A total of 204 All-Americans (98 First-Team, 106 Second-Team) have played in the 30-year history of the league.

HOCKEY EAST AND THE STANLEY CUP

Many former Hockey East players have found success in the NHL, and several have had their names engraved on the Stanley Cup as well. During the New York Rangers' championship run in 1994, Boston College product Brian Leetch became the first Hockey East alum (and the first American) to win the Conn Smythe Trophy, awarded to the Stanley Cup Tournament's Most Valuable Player. Lou Lamoriello, one of the founding fathers of Hockey East, has sipped from the Cup as an administrator three times with the New Jersey Devils.

FOUR SEASONS CLUB

The Four Seasons Club is an exclusive group that welcomes a player only after he has completed four full seasons in Hockey East and four full seasons as a regular in the NHL. Only 20 players have achieved that milestone in the 30-year history of the league.

The NHL draft has become an annual flag-waving ceremony for Hockey East as the number of NHL prospects playing in the league continues to grow. Over 50 NHL draftees are slated to suit up for Hockey East teams for the upcoming 2014-2015 season. Over 20 current and future Hockey East student-athletes were selected in the 2014 NHL Entry Draft alone.

Hockey East boasted a league-record five first-round selections in 1986, to go along four first-rounders in 2000 and three in 2007. Boston University's Rick DiPietro is one of only three goalies in NHL history to be taken first overall (by the New York Islanders in 2000) highlighting a group of 38 Hockey East players who were selected in the first round. Nearly 600 NHL draft picks have played in Hockey East in the 30-year history of the league.

HOCKEY EAST U.S. OLYMPIANS

Team USA's 1980 gold-medal-winning Miracle on Ice squad was led by four Boston University Terriers, including captain Mike Eruzione and starting goaltender Jim Craig. That inspired the first generation of Hockey East superstars, like BC's Brian Leetch and BU's Keith Tkachuk, who would go on to dominate international tournaments for much of the 1990s and lead a group including eight former Hockey East players to capture the silver medal for Team USA at the 2002 Winter Olympic Games in Salt Lake City.

The background of the entire page is a photograph of an ice hockey arena. At the top, a row of circular portraits features the numbers 3 through 24, representing Hockey East players. Below these are various banners and signs, including "30th Anniversary Championship" for Boston College, Boston University, Maine, Massachusetts, and UMass Lowell. A large scoreboard in the center shows "0 2:15 0" for "PERIOD 1". A large "HOCKEY EAST" logo is prominently displayed in the middle. At the bottom, a line of hockey players in white jerseys with blue and red accents is lined up on the ice.
