

BAUER / BOB KULLEN COACH OF THE YEAR

This award is given in the name of the late Bob Kullen, who served as head coach of the UNH Wildcats. The award goes to the head coach who is considered to have demonstrated the highest number of significant accomplishments over the course of the season as voted by the conference's head coaches. Jerry York returned his Eagles to the Hockey East semifinals for the third straight year and 24th appearance all-time, the most of any Hockey East program. He coached Boston College to an 18-6-0 record in Hockey East play to lay claim to the Eagles' 16th regular season title and the top seed in the Hockey East Tournament. His team's 18 wins were the most of any program in league play since York led the 2011-12 Boston College squad to a 19-7-1 record in league play. The Eagles won the NCAA Championship that season. He coached the highest-scoring league offense (3.29 GPG) and the third-best defense in the conference (2.21 GPG). Under his direction, the Eagles operated the third-most efficient penalty killing unit in the league, allowing just 14 power-play goals in 98 kills, good for an 85.7% success rate. York's squad allowed just 12 third-period goals in league play, the fewest among all league programs. The Eagles had the most goals (79), assists (147), and points (226) in league play of any offensive unit, while their plus-22 goal differential was also tops in Hockey East.

Boston College's Jerry York led the Eagles to their 16th Hockey East regular season title in 2017-18.

SPENCER T. PENROSE AWARD

The American Hockey Coaches Association (AHCA) annually selects the NCAA Division-I Coach of the Year and presents him with the Penrose Award. The trophy is named in memory of Spencer T. Penrose, the man whose fortune in gold and copper built the famous Broadmoor Hotel and athletic complex in Colorado Springs, the site of the first 10 NCAA hockey championships.

UMass Lowell's Norm Bazin became the seventh Hockey East coach to win the nation's highest college hockey coaching honor when he was chosen by his peers in 2012-13, just his second season behind the bench of his alma mater.
