202 Student-Athletes Named to Men's All-Academic Team *Honored Players Earned a 3.0 GPA or Better in Each School Semester*

AMESBURY, Mass. - The Hockey East Association is proud to announce 202 student-athletes have been named to the league's 2022-23 Men's All-Academic Team. Each student-athlete achieved a grade point average of 3.0 or better in each academic period during which they were actively competing in Hockey East.

Additionally, 12 players, including two goaltenders, four defensemen, and six forwards earned the prestigious honor of being named Hockey East's Top Scholar-Athlete, compiling the highest GPA at their position for the season. Those players have been selected to the 2022-23 Hockey East Academic All-Star Team.

Twenty-two players reached "Distinguished Scholar" status in 2022-23, having qualified for the All-Academic team in each of four seasons of varsity play, while 21 others are three-time honorees. Three of those players have earned All-Academic accolades for five straight years.
