204 Student-Athletes Named to Men's All-Academic Team Honored Players Earned a 3.0 GPA or Better in Each School Semester

AMESBURY, Mass. - The Hockey East Association is proud to announce a record 204 student-athletes have been named to the league's 2023-24 Men's All-Academic Team. Each student-athlete achieved a grade point average of 3.0 or better in each academic period during which they were actively competing in Hockey East.

Additionally, 17 players, including one goaltender, seven defensemen, and nine forwards earned the prestigious honor of being named Hockey East's Top Scholar-Athlete, compiling the highest GPA at their position for the season. Those players have been selected to the 2023-24 Hockey East Academic All-Star Team.

Twelve players reached "Distinguished Scholar" status in 2023-24, having qualified for the All-Academic team in each of four seasons of varsity play, and 11 more have been recognized for a fifth year of academic excellence. 28 others are three-time honorees.
