Record 221 Student-Athletes Named to Men's All-Academic Team

Honored Players Earned a 3.0 GPA or Better in Each School Semester

AMESBURY, Mass. - The Hockey East Association is proud to announce a record 221 student-athletes have been named to the league's 2024-25 Men's All-Academic Team. Each student-athlete achieved a grade point average of 3.0 or better in each academic period during which they were actively competing in Hockey East.

Additionally, 12 players, including one goaltender, six defensemen, and five forwards earned the prestigious honor of being named Hockey East's Top Scholar-Athlete, compiling the highest GPA at their position for the season. Those players have been selected to the 2024-25 Hockey East Academic All-Star Team.

Sixteen players reached "Distinguished Scholar" status, having qualified for the All-Academic team in each of four seasons of varsity play. Two more have been recognized for a fifth year of academic excellence, while 29 others are three-time honorees.
